Several individuals attended by videoconference.

At 7:00 p.m. by videoconference, the Town Council held a work session to discuss plans and procedures for the 2020 Town Council election. Councilmember Rubin moved to declare a local emergency for the upcoming election and to prepare an emergency election plan to include cancelling in-person balloting and providing mail-in ballots to all eligible Town voters. Mayor Rush moved to amend the motion to allow additional emergency procedures to be developed and incorporated into the plan, as needed. Councilmember Baskir seconded the amended motion, which passed unanimously.

The Council directed the Town Attorney and the Town Manager to draft an emergency ordinance and election plan for review and approval by the Town Council. The Council agreed to reconvene in a work session on March 26 at 5 p.m. to consider the ordinance and plan.

The work session adjourned at 8:15 p.m.

Respectfully submitted,
Wicca Davidson, Secretary
